BARLOW TO SPEAK AT WATER, ART AND FITNESS FESTIVAL

Maude Barlow

Sept. 28 will be a very active day in the village when the Bayfield River Valley Trail Association (BRVTA) host the Bayfield Water, Art and Fitness Festival in support of the Alexandra Marine and General Hospital Foundation (AMGHF).

This celebration of local waters and trails will begin at 9 a.m. with a 5KM Run hosted by the Virtual High School (proceeds of which will go to Childcan). An Art Show and Silent Auction will run in the afternoon along with an Urban Pole Walking event at 2 p.m.

Rounding out the day's events will be a presentation by Maude Barlow, national chairperson of the Council of Canadians. She will take the stage at 7 p.m. in the Bayfield Town Hall.

Bayfield is one stop on a seven-city tour that Barlow is making to speak in defense of the Great Lakes. Community activists and water experts will join her. The tour will provide an opportunity to highlight pressing issues in all seven communities. Barlow will be available to sign copies of her books, "Blue Covenant" and "Blue Gold" following her address.

CHAMBER NEWS

The Bayfield Pillow is about to get its 15 minutes of fame! On Thursday, Aug. 29 at 9 a.m. they will appear on City Line on Citytv. Folks may remember that Cityline featured Christmas in Bayfield back in 2010 and both "shout-outs" on the show are thanks to designer Karen Sealy, of Sealy Design Inc. Interior Design Solutions.

Maryann Rowat noted that Sealy dropped into Inspirations on Main Street recently and was quite taken with the pillow that features the villages longitude and latitude. These coordinates are screen printed on a 100 per cent linen pillow with feather filler. The pillows measure 12" X 20" and have a zipper.

In her upcoming appearance on Cityline, Sealy plans to use the pillow as part of her set design and make mention of the village. Viewers will also be able to go the show's website to find out details to learn more about it.

"Karen often comes to the village and loves it here. She is a talented designer, can often be seen on Cityline, has had her own decor show and obviously has a busy and thriving business," said Rowat. "We'd

In addition to her work with the Council of Canadians, Barlow chairs the board of Washington-based Food and Water Watch. She is a founding member of the San Francisco-based International Forum on Globalization and a Councilor with the Hamburg-based World Future Council.

She is the recipient of 11 honorary doctorates as well as many awards, including the 2005 Right Livelihood Award (known as the “Alternative Nobel”), the Citation of Lifetime Achievement which she received at the 2008 Canadian Environment Awards, the 2009 Earth Day Canada Outstanding Environmental Achievement Award, the 2009 Planet in Focus Eco Hero Award, and the 2011 Earth Care Award, the highest international honor given by the Sierra Club (U.S.). In 2008-09, she served as Senior Advisor on Water to the 63rd President of the United Nations General Assembly and was a leader in the campaign to have water recognized as a human right by the UN.

She is also the author of dozens of reports, as well as 16 books, including the international bestseller “Blue Covenant: The Global Water Crisis” and “The Coming Battle for the Right to Water”.

Tickets for the evening are $25 and are available at the Bayfield Book Shop or Eventbrite. More information on her books can be obtained from Mary Brown at The Village Book Shop in Bayfield. To learn more about the evening or the weekend contact Ray Letheren at raypaula@tcc.on.ca or call 519 565-2317.

RUN4KIDS TO RAISE FUNDS FOR ONLINE LEARNING BURSARIES

Will Frassinelli, a 12-year-old brain tumour survivor, had the honor of riding in a convertible at the Bayfield Fall Fair Parade held recently. Virtual High School employees were also on hand to raise awareness about their upcoming Run4Kids to raise money to establish an Online Learning Bursary Program with Childcan. Over 10,000 children in Canada are presently receiving cancer care across this country: 4,000 of them are in Ontario, and 1,700 new cases will be diagnosed in Canada this year.

The Childhood Cancer Research Association (Childcan) and Virtual Highschool.com (VHS) are pleased to announce their partnership to deliver a new program that provides Online Learning Bursaries for children coping with cancer.

Together they hope to offer a solution that enables children to continue their education and helps families to deal with the difficulties associated with cancer diagnosis, treatment, and recovery. With this partnership we hope to enhance the quality of life for children affected with childhood cancer – this means helping to provide education that is available at any time and in any place.

like to send a special thank you to her for spreading word of the village.”

The pillow project was the vision of the Bayfield and Area Chamber of Commerce’s Sail and Canvas Committee with a view to putting the village name in the hands and homes of visitors and residents alike.

Inspirations on Main Street has pillows available for purchase, they are being sold for $40 (cash only).

AUCTION

The streetscape on Main was changed forever in February when long time business owner Denis Woolley died at the age of 75 from cancer. Woolley purchased the Gardiner House building in the year 2000 and moved his antique business into the back of the house, prior to that he had a store in the Charles Street Shops.

A couple seasons later his daughters opened Inspirations in the front portion of the building. In recent months his children have had the difficult task of sorting through the inventory accumulated for Den’s Country Corner Antiques & Collectibles and have decided that they will host a Clearance Auction Sale on Aug. 31 to sell the remaining items. They will then close the business – but Inspirations will remain open.

The sisters felt that an auction would be a fitting way to celebrate Woolley’s life as he spent many happy hours at auctions collecting items for the business. A portion of the day’s proceeds will be donated to the Canadian Cancer Society in honor of both their father and mother, Coralee, who both succumbed to the disease. The couple was married for more than 45 years.

Medley Auctions, of Milton, ON will be presiding over the auction. The company specializes in quality antiques, collections and estates. People can visit medleyauctions.com to see a detailed listing and photos of items that will be for sale. Such items as Royal Doulton figures, primitives, antique and contemporary furniture, toys and tools will be offered.

The sale will begin at 10:30 a.m. with a preview starting at 9 a.m. For more information please call Karen at 647 287-4568 or visit www.medleyauctions.com.

OPTIMIST CLUB

Celebrate the Labour Day Weekend, we refuse to say the end of summer, with the Bayfield Optimist Club as they present, “Open Mic” in Clan Gregor Square on Sept. 1.

Building on the success of their inaugural event in 2012, the second annual “Open Mic” will begin noon. The call for musical acts has been put out and those

With this partnership, VHS and Childcan will be hosting the first annual Run4Kids 5 km run/walk in Bayfield on Sept. 28 to create awareness and lend support to children and families coping with childhood cancer. All funds raised will be donated directly to Childcan to help provide educational support and opportunities. VHS will be covering all costs associated with organizing the race and will donate all course and administrative fees free of charge to children in the Online Learning Bursary Program. The bursaries will cover all teacher fees associated with enrollments through the partnership.

“When kids have to be away from school for lengthy periods of time for life saving treatments this changes the dynamics with their peer groups. One thing kids want to do is to just be “normal again” when they return to school; but many will face challenges from effects of treatment, not to mention many months of lost time while their friends move forward, said Marianne Hebb, executive director of Childcan. “We are thrilled to be able to partner with VHS in offering an alternative way for kids with cancer to keep up with their studies during treatment and post treatment. Most importantly a program like this will help them stay on track to eventually graduate with their friends.”

“Life is tough even under normal circumstances. To layer cancer on top of a child's life and have it interfere with the normal developmental processes all kids go through would be particularly devastating. VHS does education differently. Our flexible approach to education will allow the type of access to education that kids coping with cancer need. VHS is extremely pleased to contribute our expertise and administrative services to help these kids. All that is needed are sneakers on the pavement in Bayfield on 28 September 2013,” Stephen Baker, principal, VHS.

There are opportunities for all of our supporters to be involved as participants, volunteers, or donors. Please visit www.vhsrun4kids.com or contact Childcan or VHS directly to learn more.

Childcan is an incorporated community-based, not for profit charity that raises funds to provide responsive and compassionate support services to families facing the journey through childhood cancer – from diagnosis and treatment, to recovery, or bereavement. Childcan has served children and their families living throughout Southwestern Ontario by providing support and resources since 1974.

CALLIGRAPHY COURSE

Following a successful round of classes in the winter of this year, Rita Paakkunainen, is once again inviting people to pick up a Calligraphy pen.

She is offering a 10- week course starting on Sept. 17. It will be held at the Bayfield Lions’ Community Building from 1-3:30 p.m.

On Aug. 20, the quilters arrived at their monthly meeting held at St. Andrew's United Church in Bayfield bearing 25 quilt tops, 165 quilt blocks measuring 12.5 inches and one quilt already quilted, plus some material for backings.

"Everyone was very, very generous," said Kathleen Siertsema, on behalf of The Sunshine Coast Quilters Guild. "We are fortunate that on Sept. 1 they will be headed west with, John McFarlane, a quilt guild member's son who is home visiting from Airdie, Alberta. What a lucky break for us that they did not have to be mailed. Our thanks to John."

It was noted at the time the challenge was issued that people in the Calgary area are willing to get together to make the blocks into quilts as well as working with and finishing quilt tops.

"With an army of local, long-armed quilters lined up to donate their time they assured us that they would get some beds and hearts covered in no time," said Siertsema.

This news was all the incentive The Sunshine Coast Quilters Guild members needed, obviously.

MYSTERY OF WASHED UP RELIC SOLVED

Bayfield Breeze subscribers aided the Bayfield Archivist in determining what this item washed ashore recently was once used for. (Photos by Ralph Laviolette)

An old relic was recently tossed from Lake Huron and Bayfield Historical Society (BHS) contacted the Bayfield Breeze looking to the public to try and identify its purpose.

According to Ralph Laviolette, Bayfield's volunteer archivist, subscribers contacted him with the following information, "Readers reported that our mysterious piece of flotsam in last week's Bayfield Breeze could be parts of a capstan on a boat, but more likely, a piece of the hub of a mundane wagon wheel that found its way into the lake."

Doug Vanderhaar, of Bayfield wrote, "The tapered center fits on a steel axle which in turn was fastened to a wooden frame. There would have been wooden spokes in the center area that held the steel rim for the tire.

"I am not sure of the tire size but think it would be a 15 inch tire similar in size of a pickup truck. There was a wagon similar to this on the end of Crystal Springs Road a few years ago."

The item in question was found washed up on the beach near Kippen Road, the week of July 14. It was found by a Bayfield Historical Society member and brought to the Bayfield Archives.

"WATER: WORKING WITH LIGHT" A WORKSHOP AT FALL FOTO FEST

Paakkunainen, who has more than 20 years experience in the art, notes that the program is very flexible. Each person works at their own speed so the class will accommodate all from beginner to advanced levels. There will be individual attention given to all and there is a lot to learn for both beginners and advanced students.

"When the full programming is complete you will know five different scripts," said Paakkunainen. "You will be able to make lovely gifts for family and friends or have fun adding that special touch to cards and crafts."

Illuminating and card making is touched on in this course to show how versatile this new craft can be.

"It is amazing how creative we can be in a very fun and relaxing atmosphere," she said.

The cost for this Calligraphy course is $130 per person. Please call 519 565-2343 by Sept. 16 to register.

Gary Lloyd-Rees, co-president of the PCoB said, “We are very pleased to announce James Cowie as part of the FFF’s group of expert leads as the host of the “Water: Working with Light” workshop. Cowie travels the world hosting photo adventures with his company Photo Tour Trekkers, sharing some of the unique locations our world has to offer photographers of all skill levels.

His number one belief is to have fun with your camera. He said, “The more comfortable and relaxed you are, the better your powers of observation, resulting in more exciting images”.

Gary Lloyd-Rees was the photographer behind the image used for the month of January in the 2014 Bayfield Calendar.

Time is running out to make a bid on a framed, printed image from the 2014 Bayfield Calendar.

The calendar was released on Aug. 17. The Bayfield Lions' Club sponsored the calendar this year working jointly with the Photography Club of Bayfield (PCoB).

Thirteen photographs selected for the 2014 Calendar – one for each month and one for the cover - have been beautifully matted and framed by Baillie's Gallery of Grand Bend. All are extraordinary images of various scenes and subjects around the village and are identifiably Bayfield.

These 13 framed images are now up for silent auction for the next two weeks at the Bayfield Archives on Main Street with the proceeds going to the Lions' Club to assist in local community projects. The Archives is open from 1-4 p.m. every day. People are invited to come view the pictures and make a bid. Bidding will close on Aug. 31, at 4 p.m. Winning bidders will be notified within the following few days.

The calendar is now on sale for $10 at the Bayfield Archives, The Village Book Shop and at various stores throughout the village. The proceeds from the sale of calendars are shared equally between Lions and the volunteer organizations and merchants who sell the calendar. The Bayfield Lions' Club will use its share of the proceeds to fund its various projects in the community.

9:30 a.m. All are welcome.

The Auxiliary members would also like to remind everyone that their annual Penny Sale is set for the last week of September in support of the hospital.

TREE PROJECT

Despite the rain in the middle of the summer our area trees are starting to get thirsty, especially those new trees planted both last year and this spring as part of the Bayfield Tree Project (BTP). Residents are encouraged to water these trees.

New trees need one inch (2.5 cm) of water per week to survive. A slow trickle of water over several hours is the best method. Trees planted by the BTP can be found on Louisa, Anne, Charles, Howard, Colina and Jane Streets as well as on Bayfield Terrace and Victoria Place.

"The name of Marion Williams brother is Ernest (Middleton) Lee. It was a most pleasant surprise to open last week's Bayfield Breeze to see the photo of both of them taken at the 1978 Garden Party.

"Marion's brother is my father, Ernest M. (Middleton) Lee (1899-1990). Born and raised in Goderich, he was the son of Charles C. (Crabb) Lee and Maud Middleton. He went to university (Trinity) and law school (Osgoode Hall) in Toronto, married Isobel Lockhart in Toronto, and practiced law in the city for 43 years. He, with his family, returned to Goderich each summer and always enjoyed visits to Bayfield.

When grandfather Lee died in 1944, he and Marion took over the 80-guest room Sunset Hotel in Goderich, a ten-week operation that was then managed by Marion and her husband, Harold Williams until the hotel was sold in 1958. The Williams lived in Goderich and my parents retired to the town in 1972. Marion died in 1991".

BAYFIELD GUIDING

BENEFITS OF BEING A GIRL GUIDE OUTNUMBER THE COOKIES IN THE BOX

Spark Carly Byers took a close look at the sunflowers members of Bayfield Guiding planted in the spring of 2012 when it came time to harvest in the fall.

Bayfield Guiding members visited Huron Ridge Acres in October of 2012 to make a Thanksgiving Day planter. They also enjoyed a walk on a nearby trail and time communing with the horses on the farm.

PHOTOS AND STORY BY MELODY FALCONER-POUNDER

Attention girls and young women of the community, have you ever gone behind the scenes at the Stratford Festival Theatre? Had a pen pal from Alice Springs, Australia? Played in a playground made entirely out of ice? Worked with clay under the direction of a professional to create a beautiful vase? Gotten your hands dirty planting a tree or harvesting the garden you planted?

If you were a member of Bayfield Guiding last year you could answer, “yes” to all those questions. Why not join them this year?

The benefits of being a member of Bayfield Guiding are many – girls enjoy trying a variety of new skills in a comfortable, relaxed environment. They also learn an appreciation of the world around them by exploring their own great outdoors as well as taking a virtual look at countries far, far away. They are instilled with the desire to do service for their community, their environment and for others across the globe. And perhaps above all they develop confidence and make lasting friendships all in the name of fun!

The season lasts from mid-September to early June. This year marks the 60th anniversary of Girl Guides in Bayfield so members both new and returning should have a lot to celebrate.

Bayfield Guiding has openings for Sparks, aged 5-6 years; Brownies, aged 7-8 years; Guides aged 9-12 years; Pathfinders, aged 12-15 years; and Rangers, aged 15-17 years. Women interested in becoming leaders are also welcome to contact the number listed below for more information.

The groups meet, with the exception of the Pathfinders and Rangers, on Tuesday afternoons from 5:30-7 p.m. at Trinity Anglican Church, 10 Keith Cres. (doors open at 5:15 p.m.) The Pathfinders and Rangers will meet twice monthly at the Bayfield Village Inn on the second and fourth Wednesdays from 6:30-9 p.m.

The first meeting of the year for Sparks, Brownies and Guides will be held at Trinity Church on Sept. 17. All girls in these age groups are invited to come out and see if Guiding would be of interest to them.

Pathfinders and Rangers will have their first meeting on Sept. 25. And again anyone interested in joining is welcome to attend to learn more about what being a senior member of Guiding is all about.

On March 18 members of Bayfield Guiding toured Ice Cultures in Hensall. A highlight of the tour was time in the Iceculture Experience, an ice lounge designed and built especially for plant tours. (Submitted photo)

The Bayfield Guiding year ended with a special advancement to kick off their 60th anniversary celebrations. Melanie Wilson took a walk under the flags hoisted by her sisters in guiding to symbolize her years with the organization. Melanie advanced from Guides to Pathfinders at the meeting. Registration is $150 per girl – with an average of 30 meetings a year – it works out to about $5 a week – there is some bang for your extracurricular buck! Plus a subsidy is available from Girl Guides of Canada for families who require it. It is a good idea to register early as there is a limited number of subsidies given out.

If you would like to reserve a spot for your daughter please phone Melody Falconer-Pounder at 519 565-2443 or email her at bvi@tcc.on.ca. Registration to be a member of Girl Guides of Canada is now exclusively on-line. Parents are encouraged to register their daughters prior to the first meeting by visiting https://register.girlguides.ca/ use the postal code N0M 1G0 to find the Bayfield branches.

Members of Bayfield Guiding and their families, were among the 80 volunteers who took part in Tree Days organized by TD Friends of the Environment along the Maitland Cemetery Trail on Sept. 23, 2012. Girl Guide Laura Buckley and Pathfinder Nicole Kelly dug in to plant their first tree.

On June 22, members of Bayfield Guiding saw "The Three Muskateers" performed on stage at the Stratford Festival Theatre as part of their year end adventure.

A year in Bayfield Guiding wouldn't be complete without a year end adventure. The girls took part in the Stratford Festival Experience in June with a visit to the Prop and Costume Warehouse - the perfect place to try on a fancy hat!

I have three good pieces of jewelery, my engagement ring, wedding band and a grandmother's ring given to me for my 18th Christmas. I know how devastated I would be if I lost any of them as they are truly one-of-a-kind and were given with love. So when I received an email last week from a Subscriber who had lost her engagement ring and wedding band while visiting the beach recently I knew I needed to help in the best way I could by telling my readers about her plight.

The rings were lost on the beach off Gendron Drive in Bluewater the access is close to the Zurich-Hensall Rd. The ring was a solitaire in a unique setting in two-tone gold. The wedding band was 14kt gold with a channel of 13 diamonds.

Looking for a diamond among grains of sand may seemingly be an impossible task but if anyone should have the good fortune to stumble upon this treasure know there is a lady hoping against hope to get them back. If anyone does discover these rings or hears of anyone who has please send me an email and I will do my best to coordinate a reunion. - Melody
