THINK OF SALE WHEN RUMMAGING THROUGH CLOSETS

The organizers behind the 68th annual Pioneer Park Rummage Sale would like to remind residents and

The Bayfield Garden Club will hold their annual Plant Sale in Clan Gregor Square on the morning of May 9.

People are advised to come early to this fundraising event as the plants go fast! The sale will be held on the south side of the park across from the Bayfield Town Hall from 9-10:30 a.m. or while supplies last.

To make the sale a success people are asked to donate plants and garden related items. Plants should be in pots and labeled please. Donations can be dropped off at the Kale residence, 55 Victoria Street, Bayfield between 6:30-8 p.m. on May 8.

Friday, July 10th is the date for the 68th Annual Pioneer Park Rummage Sale.
After more than two thirds of a century, it has become a deeply entrenched tradition. It is as much a part of the summer as the park is a part of the community.

The rummage sale allows the public to participate in the perpetuation of the park's health and vitality. The funds collected from the Rummage Sale will be used for the ongoing needs and upgrades to the many park projects. Once again this event will be held at the Bayfield Arena from 7-9 p.m. with the "outside" sale beginning at 6:30 p.m.

The public is vital to the success of this endeavor. Organizers are asking members of the community to donate whatever they can. During spring-cleaning of homes, garages and trailers think of the rummage sale. Large and small items will be accepted. But please note that clothing, shoes, magazines, textbooks, televisions, large appliances, building materials, mattresses or soiled or broken items will not be accepted. All baby items as well as electrical and sports equipment must be CSA approved.

This year there will not be a large item pick-up. A "drop-off" location is available and can be accessed by calling Art at 519 565-2783. In addition, donations can be brought to the arena on July 9th starting at 11 a.m.

Another part of the sale will be the Silent Auction with an array of wonderful selections donated by community members and local business. Bidding will be held during the sale hours.

The Pioneer Park Committee appreciates the donations from the public and the assistance of the many volunteers who make this yearly event possible.

COLLECTOR EXHIBITION MARKS 15 YEARS THIS WEEKEND

In 2014, Philip Keightley, of Bayfield, exhibited his grandfather's collection of 1930s Cigarette Picture Card Albums. These colourful cards ranged from birds and flowers to Kings, Queens and Royal Tours. (Photo by Melody Falconer-Pounder)

The Bayfield Historical Society's (BHS) Collector Exhibition is now in its 15th year!

This year this highly successful event, is being held a few weeks later than in past years, May 9-10th are the new dates for the show; all other pertinent details remain the same.

The exhibition will be held in the Bayfield Community Centre from 10 a.m. to 5 p.m. both days. There will be free admission but donations are appreciated. The official opening ceremonies will be held on Saturday at 1 p.m. to be immediately followed by the "Taste of Huron" live food auction. The extensive silent auction closes at 4 p.m. sharp on Sunday. As usual the community centre will be filled with unique and interesting items displayed by unique and interesting individuals.

MICHAEL'S PHARMACY

Anyone looking to take a more holistic approach to their health may be interested in a free seminar being held at Pharmasave Michael's Pharmacy on May 12.

Janet Brunswick, a registered natural consultant, will be the guest speaker at the evening that will begin at 6:30 p.m. Those who wish to attend are asked to reserve a spot because seating is limited. To reserve please call the pharmacy at 519 565-4454.

COMMUNITY LUNCH

Mark Monday, May 25th, on the calendar because the Bayfield Town Hall Heritage Society will be hosting their Third Annual Community Lunch on that date.

This is a wonderful opportunity for the community to come together and hear about what's been going on at the Town Hall as well as learning about upcoming events. Anyone who has attended before knows that the lunch is delicious and the presentation informative. The luncheon begins at 11:30 and space is limited so people shouldn't wait to get their tickets.

The cost is $10 and tickets are available by calling Sandy Scotchmer at 519 565- 2830, Margo Robeson at 519 565-2827 or Pat McDougall at 519 565-2572.

ABCA TAKES ACTION

The Ausable-Bayfield Conservation Authority (ABCA) is taking court action against Paul Fornier for conservation violations on his ravine property in North Houston Heights subdivision.

A preliminary hearing was held in Goderich Court recently. Lawyer Barry Card, a legal specialist of land use planning and development law represented ABCA at the hearing. The trial date was set for May 19 in the Goderich Court.

Fornier faces two charges. The first charge says his land is adjacent to Lake Huron and it may be causing flooding, erosion or dynamic beach hazards. The second charge says he constructed an illegal dwelling next to a ravine under the jurisdiction of ABCA without ABCAs approval.

"This is an environmentally sensitive property that should not be built up. Last year the ravine beside the property was reporting huge pollution running from the ravine into Lake Huron. Fornier does not have a proper sewage system nor water drainage and he has cut down trees that should never have been touched," said Jerry Selk, a resident of North Houston Heights subdivision.

Last year Selk and Bob Campbell, both residents of the subdivision south of Bayfield asked ABCA and Bluewater council to take legal action against Fornier.

Once again the local business community has been very supportive with corporate sponsorship and donated auction items – the BHS is deeply appreciative of their generosity. People are invited to check out the window display at the Bayfield Archives on Bayfield Main Street North, not only are this year's corporate sponsor logos on display but so are some of the silent auction items.

BHS member and local antiques dealer Tim Saunders, of Three Squirrels Antiques, will be available on Sunday only to identify and appraise any items people may be curious about. There is no fee for his services and any donations collected benefit the BHS.

The enthusiasm for this event has remained strong over its 15 year history because it fits so well with the greatest desire of any historical society: to preserve, explore and share with everyone the rich and diverse history of the community. All are welcome. If you need further show information please contact Phil at 519 482-9230 or Binnie at 519 565-2376.

ARTISTS AND CRAFTS PEOPLE SOUGHT FOR ONE OF A KIND SHOW

Following the success of last year's show, the Bayfield Town Hall will be hosting a One of a Kind Show again this summer. The date has been set for July 4 to coincide with Bayfield VetteFest Weekend.

The Bayfield Town Hall Heritage Society members are hoping to expand the number of vendors this year – making more use of the beautiful Town Hall grounds. HURON GIFTS OFFERS THE TASTE, SIGHTS AND SOUNDS OF HOME IN A GIFT BAG

Huron Gifts, was started about eight months ago as a promotional company for producers in Huron County. (Submitted photo)

Has anyone wanted to give the taste, sights and sounds of home as a gift but didn't know where to begin? Well, Karen Brown, of Exeter, has got the taste, sights and sounds of home all packaged up and tied with pretty ribbon with her new online business known as "Huron Gifts".

Huron Gifts, was started about eight months ago as a promotional company for producers in Huron County.

"It was designed to support Huron County's local producers and we think you will be as surprised as we were to discover the range of products that are available," said Karen Windsor, sales and marketer for the company. "Every item we choose must be market ready and produced here in Huron County. We are constantly sourcing new items to add to our amazing products."

Huron Gifts can create customized gift bags or baskets of varying sizes and price points for special occasions, corporate events and promotions. Some of the businesses and individuals supplying product for the gifts include Shop Bike Coffee, of Bayfield; Hayter's Turkey Farm, of Dashwood; Luvu Naturally, of Exeter; The Garlic Box, of Hensall; Robinson Maple Products, of Auburn; The Whole Pig, of Dashwood; and Bayfield Musician Josh Geddis, who's latest CD is a gift option.

"These are products you can feel a connection with and for visitors they can discover some of the many wonders that Huron County has to offer," said Windsor. "We have created Huron Gifts

In addition to exposing their customers to Huron County products and increasing awareness of these producers in the county, Huron Gifts wants to give back to county charities with the purchase of every gift bag.

"There are many charitable organizations within Huron County and we want to acknowledge their hard work through the success of our business. With every bag purchased a contribution will be made to one of three charities: Habitat for Humanity Huron County, Huron County OSPCA or The Alzheimer Society Huron County's iPods for Memories Program. Please let us know when you are ordering which one is closest to your heart."

so that each item you unwrap gives you that connection or perhaps makes you realize you did not know that came from Huron County! We have a remarkable array of items available to us through the producers of Huron, Ontario's West Coast."
