OUR NATURE, OUR CANADA

Young people in this area are learning about Canada’s water, plants, and animals through a one-hour program at local libraries.

The Ausable Bayfield Conservation Authority (ABCA) hosted the Our Nature, Our Canada program at Clinton and Zurich libraries on July 18, 2017. Conservation educators will continue the program at the libraries in Bayfield and Goderich on Thursday,

“Those who attend find out about the magnificent and abundant natural resources found in Canada including water, plants and animals,” said Denise Iszczuk with ABCA.

BUTTERFLY RELEASE

How many among us take notice of certain symbols that remind us of someone special who no longer walks the earth? Hearing the striking lilt of a birdcall, sighting a butterfly flitting by or spotting a feather on the ground are all fine examples of these signs.

In recognition of these the Huron Hospice is holding an event in Pioneer Park on Aug. 27 that will allow community members to honor the memory of loved ones or beloved pets in a symbolic way at a Butterfly Release.

PRAYERS AND PRAISE UNDER THE BIG TOP AT THE BAYFIELD FAIR

In what is becoming an important part of the Bayfield Community Fair, local churches will gather together for a community worship service at the fairgrounds on Sunday, Aug. 20.

Starting at 10:30 a.m., "Prayer and Praise Under the Big Top" will commence. This year rather than having a guest speaker, there will be an old-fashioned gospel hymn sing with many favorite tunes. Special guest musicians will be featured, along with a choir amassed from the five local churches involved.

A special offering will go towards the Red Cross appeal to help victims of British Columbia's wildfires. Regular church offering envelopes will also be collected and returned to individual churches.

The service is organized with leadership from St. Andrews United, Knox Presbyterian, Trinity and St. James Middleton Anglican churches and The Church on the Way. Everyone is welcome to attend, rain or shine, under the fairgrounds tent.

Anyone interested in singing with the community choir for the worship service at the Fair, is asked to come out for one rehearsal to learn the songs, on Thursday, Aug. 10, 7 p.m. at Trinity Anglican Church, 10 Keith Crescent in Bayfield. All singers are welcome.

The event will be held from 7-8 p.m. and will include a memorial service officiated by Eugene Dufour and the release of butterflies while a few pipers from the Celtic Blue Highlanders pipe.

Please call Michelle at 519 482-3440 Ext. 6301 or infohospice@tcc.on.ca to purchase a butterfly in memory of a loved one or beloved pet, Monarch butterflies are $25 each while Painted Lady butterflies are $20.

The fundraising team for the proposed Residential Hospice near Clinton has been inundated with last minute registrations for the Aug. 27 'Butterfly Release' at sunset in Pioneer Park. The co-ordinator of this project, Michelle Field, has extended the registration deadline until Friday afternoon, Aug.11. Michelle's contact number is 519 482-3440, Ext. 6301.

This is a Huron County wide fundraiser for the urgently needed Huron County Residential Hospice just outside of Clinton, which is in the process of being purchased. This is an opportunity to support a Residential Hospice that is supported and will be partially funded by the Ontario Ministry of Health.

Huron County has the second oldest population in Ontario and yet is the only county without a Residential Hospice.

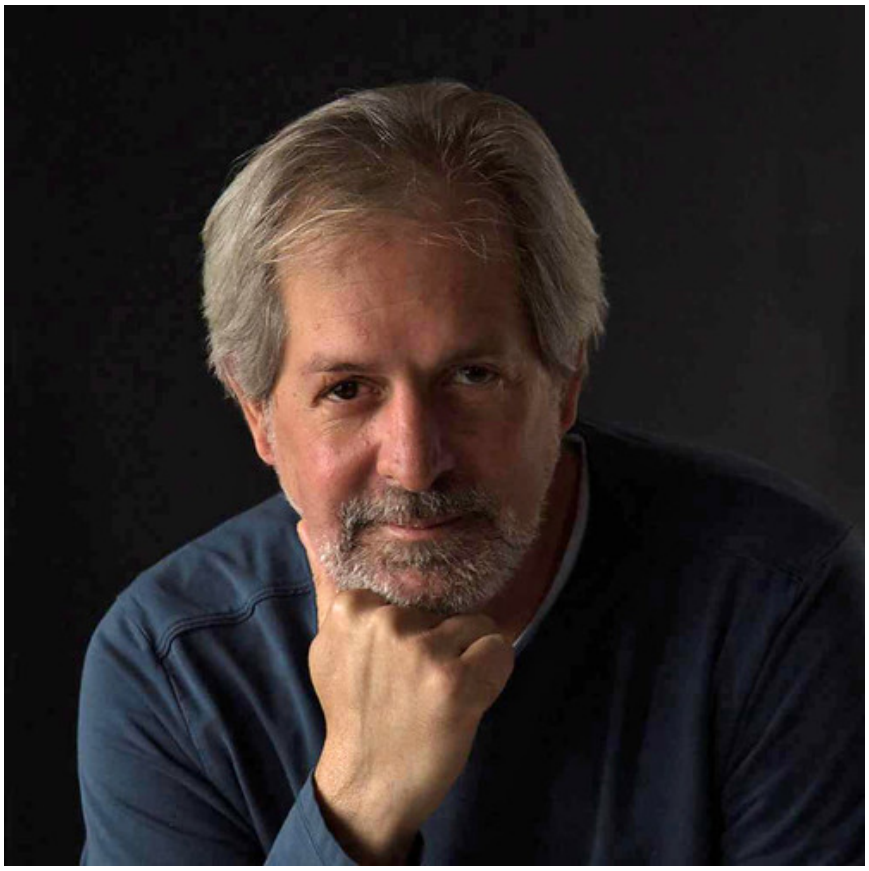
JOURNEY INSPIRES PHOTOGRAPHER TO BECOME AUTHOR



Don Martel

Inspired by a chance encounter with a couple he met on the shores of Lake Temagami, Don Martel, a professional photographer from Windsor, ON, accomplished what most of us would think unimaginable - cycle 8,200 KMs across Canada - alone.

Although pedalling solo, Martel soon learned after leaving Vancouver, BC, that he was never alone. And it's those heart-warming and inspirational encounters with fellow Canadians that were the inspiration for his book, "Loaves and Fishes", which coincidentally debuts in 2017, the year of Canada's 150th birthday.

The dreaded Alzheimers Disease has touched Martel's life and as a result, he dedicated his ride to the Alzheimers Society of Canada. Along the way he spread awareness about the disease and encouraged people he met to donate to the society.

The Photography Club of Bayfield (PCoB) is pleased to sponsor the book's launch/fundraiser on Sept. 7, from 7:30-9 p.m. at the Bayfield Town Hall. The event is open to the general public and admission is by donation to the Alzheimers Society.

This is an event not to be missed. Martel is not only an amazing photographer and teacher he is also a great storyteller. Those who attend will meet the photographer/author, who will tell stories from his book and present a breath-taking audio-visual display of some of the 15,000 photographs he made along the way. Books will be available for sale at the event. Any questions, please contact Martel at 519 984-6329 or email don@donmartel.com or to learn more visit www.donmartel.com.

FAMILY FILM NIGHT

The Bluewater Communities in Bloom Committee invites Bluewater residents to celebrate Canada 150 with a Family Film Night, complete with carnival-style food (hot dogs, candy floss and popcorn) and a variety of fun activities for the whole family.

The event will take place on Saturday, Aug. 12 from 7-11 p.m. at the Stanley Recreation Complex, 38594B Mill Road in Varna (east of Bayfield). Admission is free.

The event will start with great activities for the kids, including face painting and an appearance by Snippity the Clown and a friend! A surprise Family Film will be shown on a huge outdoor screen starting at sunset (approximately 9 p.m.) lasting until about 11 p.m.

Attendees will have a chance to sign a specially adapted Canadian flag, which will then be placed in a 'legacy time capsule,' to be opened on Canada's 200th birthday. There will also be a 'group photo' celebrating Canada's sesquicentennial.

Families are requested to bring blankets or lawn chairs to sit on, and to dress in red and white.

In case of rain, the event will be re-scheduled for Friday, Sept. 1st from 7-11 p.m. at the Bayfield Arena.

For further information, contact Nellie Evans, secretary of the Bluewater Communities in Bloom Committee at 519 236-4351 Ext. 236.

The adult ticket price is $20 and children 12 years and younger are $10. The proceeds from this event will go towards replenishing the Town Hall reserve funds necessary to maintain and preserve the 135-year-old Bayfield Town Hall. These funds were depleted by the expense of the beautiful new roof and new furnace installations in 2016.

Tickets can be purchased by calling the Town Hall at 519 565-5788 as well as through Ticketscene.ca. If you call the Town Hall, just leave a message and someone will get back to you. We will also have tickets available at the Farmers' Market during market hours on Friday, Aug. 18, 25, and Sept. 1, and at Fitness Classes in the Bayfield Arena.

As was done last year, the Town Hall, as an active member of Bayfield's Blue Community initiative, has purchased non-toxic, biodegradable cups, plates, bowls, and cutlery. Sunset on Summer will leave a smaller footprint on our environment.

The committee overseeing this BBQ is looking for volunteers to help with the event. There are several categories of volunteering, such as serving food, set up, clean up, handling tickets sales for the beer/wine tent and clearing tables. Anyone interested is asked to please call Sandy at 519 565-2830 or email her at sscotchmer@rogers.com.

STARVING ARTISTS CONVERGE ON PIONEER PARK SATURDAY NIGHT

PHOTOS BY JACK PAL

Krysten Watterworth, of Kryart Studio, gave a lesson in water-colour painting to the crowd that gathered to paint their interpretation of a sunset on a cookie.

People who went to Pioneer Park on Saturday, Aug. 5, to watch the sunset got an edible surprise as the "Paint the Sunset" event used a cookie as a canvas.

The cookie canvases and color palettes were baked by The Pink Flamingo Bakery and Boutique and a "watercolor" painting lesson was given by artist Krysten Watterworth, of Kryart Studios, both businesses located on Bayfield Main Street North.

The sunset proved to be the perfect muse for all the starving artists that came to the park for the view and a bedtime snack.

Please call Gould at the Bayfield Hearing Clinic, 1-855-396-6026 to book an appointment.

MAIN STREET OPTOMETRIC

Dr. Rich Samuell at Main Street Optometric wants to let Bayfield residents know that full eye health examinations are available at his Bayfield office.

Examinations are fully covered by OHIP for children and teens, seniors, and those with diabetes. Main Street Optometric uses current technology including a "no-puff" eye pressure check, as well as digital retinal photography to monitor for eye conditions like glaucoma, macular degeneration and diabetic retinopathy.

Please call 519 565-2300 to schedule an appointment.

BACK PACKS FOR KIDS

Once again The Huron County Food Bank Distribution Centre will sponsor The Back Pack for Kids Program for the 2017-18 school year. Registration for families has begun and will conclude on Aug. 18.

This year the Salvation Army has volunteered to register the recipients and then prepare the backpacks. Anyone who could benefit from this program should contact 519 524-2950 or 519 482-8586 to register.

The backpacks will be distributed during the last week of August. Back packs for children registered from Bayfield will be distributed by the Bayfield Foodbank (Feed My Sheep).

FLEA MARKET

Bayfield has been home to a Country Flea Market for several decades. In more recent years, it has found a new home in Agriculture Park; a home that offers plenty of parking as well as some green space for children to run carefree.

The Bayfield Agricultural Society provides this home for the market that is open on Sundays from 7 a.m. to 2 p.m. (maybe a little longer depending on the crowds).

Gary and Kate Lloyd-Rees and family got in the spirt of the event painting their cookies and basking in the glow of the sunset.

Aug. 5th proved to be a perfect night to paint the sunset in Pioneer Park and for an event first the canvas was a cookie!

It isn't often an artist can lick her paint brush clean but when your medium is edible, why not?

This week, an image submitted by a subscriber depicts some fun on the courts by members of the Bayfield International Croquet Club back in the days when the dress code was less formal and the beverage of choice could be found in a stubby bottle. Does anyone recognize any of the players?

OVERCAST SKIES DIDN'T DETER THE FUN RACE

The Gilbert family got in the spirit of the day depicting the cast of Despicable Me 3 - Alister, Connor, Gracie, Hannah, Cary and Joel were ready to go!

Sara Gundy offered some encouragement to George Gundy before the start of the cycling event.

PHOTOS AND STORY BY MELODY FALCONER-POUNDER

Thirty-one years ago a fun tradition was started to raise funds for the maintenance of Pioneer Park – the 5 KM Fun Race. This year the traditon continued with enthusiastic participants registering for the run on the morning of Aug. 7. They laced up their sneakers some to walk others to run. People took to wheels of all sorts from cycles built for two to roller blades.

The rain fell prior to the run and stayed away for the duration of the race. Cooler temperatures and overcast skies proved favorable for participants.

Prizes were awarded in each category in four different age groups, plus prizes were also awarded to those who demonstrated a special effort. Various local merchants, personal businesses and other individual sponsors generously donated prizes.

Luke, Reid, Faith and Thane were all ready to have a nap after they completed the 5 KM race.

Despite the dreary weather a large contingent of cyclists took part in the 32nd annual Pioneer Park Fun Race.

Volunteer extraordinaire Marg Laudenbach cheered on the cyclists.

There were just three entries in the roller blading category this year.

Bill Tillman and Sara Gundy raced each other to the finish line.

Perhaps a first for the Pioneer Park Fun Run, this young person decided to skip along the route.

Daniel was the first male runner to cross the finish line.

Participants in the running portion of the fun race set a very fast pace on Monday morning.

Ian McLean, and Joshua, worked together to complete the 5 KMs.

John Erb was the first walker to cross the finish line and he did so with cheers from the spectators.

Sarah Van Wyk was the first female runner to cross the finish line, a quite impressive feat considering she had a late start.

Charlie Curtis, almost 3 years, pedalled with her baby doll on her two-wheeler along the 5 KM route with encouragement from her mother.

Jenny Allan and her daughter Bridget Shanahan sail across the finish line on Monday morning.

This foursome finished the race united in victory.

The early morning rain and overcast skies did not prevent the participants, who upon completion of the race became spectators, from cheering enthusiastically as others finished the course.

Run, ride or roll is the name of the game at the Pioneer Park Fun Race as evidenced here by these three participants.

Elise Brady made good time completing the 5 KM route on her bicycle.

A couple of dogs, and their owners, took part in the 32nd annual race.

Editor's Note: A lovely letter came across my desk this week and I could think of no better place to showcase it than in my spot here at the bottom. It is addressed to the owners of Shared Time on Main Street North and was written by resident Erin Paakkunainen.

The other day I woke up before even the sun had a chance to stretch it's rays. It was quiet in my house, which ironically felt loud to me. My house is usually filled with sounds of opening and closing doors as kids race in and out between water breaks from the heat, and dogs barking at the squirrel they thought was going rob the bird feeder, yet again. It felt odd to me that I was

sitting in such silence, so I decided to seek some noise. I finished my routine morning coffee and began to leash up my two snoozing hounds. I stepped outside and there was the sun, and a few walkers in conversation sailing past my house. I wasn't sure what kind of day was ahead of me, but I felt productive attempting to get the three of us out the door before anyone else could stop us. Then came the decision where to go.

"Follow the noise" I said, thinking the beach. However, I think my teeny Boston Terrier thought I said NOSE. Off she went pulling away, up this street and that one. Through the park and past the trees, which in recent walks was quite the place of interest and intense sniffing. Right past them she pulled, and little did she care that our Collie was trailing behind panting away, and most likely dreaming of the cozy warm giant sized cushion she was forced to leave behind this morning. I started to think she was remembering something, or maybe she found something? I wasn't sure, so I decided to pull back on the leash and stop her from potentially getting rug burn from pulling so hard. As I started to walk in a slightly different direction our Boston slammed on her back breaks. Full stop. She was not going anywhere. As i tried to coerce her to move a little she sat down with even more determination. "Not going" her eyes told me. So, I decided to let her lead me where she wanted to go. Up past the park, over to the right side of the main street my Boston Terrier pulls like a horse.

As we pass a few stores and her energy intensifying I realize very quickly where she's taking me. Shared Time's courtesy mailbox of doggy treasures and delicious treats.

She sat down right away and looked up at me with those soft eyes of her. The soft eyes that were bulging a few minutes earlier from pulling so hard. "Treat?" I said. Sitting beside her like a statue was our other dog that finally caught up to the marathon walker now calmly resting at my feet. I laughed out loud a little, and took a biscuit for each dog and felt a great sense of happiness. This very small act of kindness and generosity imbedded itself in the hearts of both my dogs, and now has left a mark on mine.

I didn't know where we would go that morning, or what the day was going to be like, but having a simple act of kindness as part of your breakfast can only be found in such a place as Bayfield.

As I walked home, smiling to myself and becoming part of the morning traffic of walkers and runners I began to notice how pretty this little village is and what sense of peace it brings. All the leaves began to wake up and shake hello, and the sound of the waves stretching along the shore left me feeling refreshed. I decided to write this letter, in hopes of it reaching the owners of Shared Time and to thank them for their kindness. I want to share how one small act of kindness resonates throughout the day and leaves marks on the hearts of even the smallest of creatures. Thanks to you Shared Time for giving us a place to go, and to a great start to our day. - Erin
